February 2023

Dear House of Hope of Florida Supporters:

On behalf of the staff, Board of Directors, and especially our students, we give thanks to God that we have found acreage for our new campus in Wildwood as well as the funding for this purchase and the first phase structures.

We expect to close on the property early this summer and start the building process soon afterwards. Once construction begins, we will be posting pictures and videos on our website where we invite you to follow our progress.

We are very grateful to Wildwood UMC for providing our current facility for the last (4) years but since that property will be sold, we will be relocating in August to another location until the new campus is complete.

We ask for your continued support of this ministry and for prayers that all zoning requests will be approved so that, with God's grace, we can continue to offer a place of healing for our students as they prepare to rejoin their families and our community.

If you have any questions or would like to volunteer to help us with the construction, please call Gene Barton at: 952-334-1509 or Mary Starkey at: 352-348-0840.

May God bless you all,

Rev. Jill Beck, Gene Barton, Randy Benjamin, Randy Cline, Bob Harman, Mary Lewis, Malcolm Mosley, Edna Nelson, Mary Starkey, Joe Wilson
